Notes:

A = Sites as characterized by GAO Report; Recommended for NPL is subset of Potentially Eligible

B = GAO Eligible plus additional GAO "non-eligible" sites that R-9 considers still eligible; this number is the actual "eligible" univ.

C = Removal Assessment Candidates as identified by Headquarters

D = Preliminary High Priority Sites as identified by Region 9 in 1/98

Priority Universes are in **bold**

*Matt. will start assigning the regional board sites to the SST people.*
